

**DLOSCE CERTIFICATION OF ELIGIBILITY
(Dental students enrolled in a non-accredited dental school)**

This form is for students who are enrolled in a dental school that is not accredited by the ADA Commission on Dental Accreditation (CODA).

This completed form must be received by the JCNDE for each INBDE application submitted. The DLOSCE application process is not complete without this form. A DENTPIN must be included on the form in order for the JCNDE to attach the form to the correct file. If you do not know your DENTPIN you must retrieve it through the DENTPIN homepage (www.ada.org/dentpin) prior to submitting a Certification of Eligibility form. Certification of Eligibility forms that the JCNDE cannot match to a DENTPIN will not be retained.

I certify that _____ (name of student) is currently enrolled in this dental school and has successfully completed all subjects included in the INBDE.
