

Accessing National Board Results Online

Effective November 30, 2016, printed official National Board Dental Examination (NBDE) and National Board Dental Hygiene Examination (NBDHE) result reports will no longer be sent via mail. If your exam has not been scored by this date your results will only be available online. This updated process will remove time spent delivering physical reports and eliminate issues that may be caused by sending the results via mail (i.e. delays, incorrect addresses, etc). **PROCESSING TIME FOR RESULTS TO BE POSTED ONLINE REMAINS 3 – 4 WEEKS FROM YOUR TEST DATE.** Below are the steps to access your National Board results online. If you have further questions please contact the Department of Testing Services at nbexams@ada.org.

1. Go to the DENTPIN® homepage at www.ada.org/dentpin.
2. Click on the **My Account** link in the left navigation (the link will be under the accordions if the page is not opened wide enough).
3. Follow the instructions on the My Account page and click the link that is displayed to log in.
4. Log in using your DENTPIN® and password.
5. Scroll down to the Date Tested section of the Account Summary. Under the Status column you may view the Pass/Fail status of your National Boards.
6. Additionally, you may click the **Display** button under the Details column to view the score details of your results.*

*Please note that results with an exam date after 12/31/2011 and a status of Pass will not contain score details as per JCNDE regulation.
